Meeting Details

Meeting no. :- 5

Date & :- Monday,
Time 31 July 2023

Attendee(s) :- Varad & Soham

Agenda :- Discussion on previous year research paper.

- Discussions :-

1. Recommended to follow IEEE pattern of writing research papers.
2. Advised to add more references on the paper.
3. Instructed to number the references right after text in square brackets.
4. The references should majority consist of research paper and then books and news articles.
5. Suggested to write Introduction and literature review references serially.

6. Told to increase results points in the previous year paper and decrease the Hardware and Software working details.
7. Advised to use more visuals or graphs/charts and figures instead of tabular form of the result.
8. Instructed to change the description of the figures and tables, since it was obvious and no need to mention the same thing twice.
